

Trusted Leaders

Kantara actively convenes multi-national activities toward pan-government **Trust Framework** harmonization.

Kantara Initiative has been granted approval as a **Trust Framework Provider** to Accredit Assessors and Approve CSPs at Levels 1, 2 & non-crypto Level 3 under the Open Identity Solutions for Open Government.

Kantara is the *ONLY* Trust Framework Provider of its kind...

Working Together

TRUSTED and well-known experts from: industry, non-profit, government, verticals, jurisdictions, user, research and education.

Providing an OPEN and TRANSPARENT environment, Kantara provides the right balance of support, tools and community to advance proven trusted Identity Management

Kantara Initiative

A trusted leader for assurance...

Trust in Identity Services...

Kantara Initiative fosters trust, assurance, interoperability, innovation, identity community harmonization and broad adoption through the development of criteria for operational **trust frameworks** and deployment/usage best practices for privacy-respecting and secure access to trusted online services.

Kantara Initiative

Kantara helps ensure secure, identity-based, online interactions while preventing misuse of personal information so that networks will become privacy protecting and more natively trustworthy environments.
