[WG-IDAssurance] Fwd: Keeping up with the Kantarians December 2018

Colin Wallis Kantara <colin@kantarainitiative.org>
To: IA WG <wg-idassurance@kantarainitiative.org>

Thu, Dec 20, 2018 at 7:13 PM

Folks if you are on the call now..

----- Forwarded message -----

From: **Kantara Initiative** <staff@kantarainitiative.org>

What's New

- **Kantara Initiative completes project with Exponent** in which the credentials of an emergency responder or individual can be loaded onto a smartphone and accessed securely via BLE or NFC technology.
 - [Read Press Release](#)
 - Interested in becoming an investment partner? [Contact us](#)
- **New Discussion Group** - Identity Proofing & Verification Use Cases. Join to contribute your use cases to a report for the ISO SC 27/WG 5 Study Period and inform a potential future Identity Assurance Framework standard.
 - [Join here](#)
- **Kantara is confirmed to be speaking at Identity Week**, happening June 11-13 in London, UK, where we will be story-telling your successes.
 - [Read more](#)
- **The Kantara Initiative European Licensee** is a consortium partner in NGI_Trust, a groundbreaking EU H2020 grant-funded project, with the first call for proposals

due in February.

- [Get the details](#)
- **Director's Corner:** Feel 'the rhythm of Kantara' as you browse a new blog recapping last month's activities and important information from Kantara's Executive Director, Colin Wallis. Nurture, Develop, Operate - that's what we do.

The Year in Review...

In the past year, Kantara extended our reach through participation in close to 20 identity and privacy-centered events around the world. In 2019, we look forward to continuing our collaboration with the identity and privacy communities to improve the trustworthy use of identity and personal data!

Tell us how we did in 2018!

IDM Whitehall Media

March 14, 2019 | Frankfurt, Germany

Join Whitehall Media's 6th Identity Access Management Europe conference, hosted in Frankfurt for the first time, to discuss key insights and trends across digital identity, the newest techniques to ensure successful IAM implementation, and strategies to create secure and resilient identity infrastructure. This must-attend event will review policies, processes, standards and emerging technologies utilized by government and large enterprise to unlock the potential of new services and to facilitate business growth.

Kantara's Executive Director, Colin Wallis, will be one of the speakers at this event.

KNOW 2019 Las Vegas

March 24-27, 2019 | Las Vegas, Nevada

Kantara Initiative is excited to be a media partner for KNOW 2019 Las Vegas.

As the industry’s most important event on the calendar, KNOW 2019 Las Vegas is not to be missed. The event will deliver the trends, insights, and connections needed to innovate The Future of Trust globally. Better identity tools mean enhanced user experience, fewer data breaches, and increased trust with customers and regulators alike - and KNOW is where the leading edge of identity gets sharper. This is the premier event to learn from industry experts, contribute to the global conversation, forge new partnerships, and grow your personal network. Kantara will be partnering with [IDPro](#) for selected workshop sessions.
