

Open Notice MVCR Generator Page.

This is the page to which a site operator will go to provide the information necessary to create a code snippet that they can use on their site to provide a standard consent receipt to their users

Data Controller

The organisation or individual that is accountable for the operation of the web site.

URL:

Data Subject

The natural person that is registering on the web site.

Identity Provider

A third party that uses identity and/or authentication information about a data subject

URL:

Purposes

Either a list of the purposes for which the data is collected, or a link to a URL where that information can be found.

Personally Identifiable Information

Any information that (a) can be used to identify the Data Subject to whom such information relates, or (b) is or might be directly or indirectly linked to a Data Subject.

Sensitive Information

- Health/Medical
- Financial
- Sexual
- Religious
- Surveillance
- Other

Other Sensitive Information

Information Sharing

A description of the types of entities with whom this personal information will be shared or the URL of a page where that information is provided.

Additional Information

Any additional information that you want to appear on the Consent Receipt that the user will receive

Operator email

Generate

When the site operator clicks on "Generate" they will receive an email with an attached file containing the code for their web site

<https://www.somepage.com/YourConsentReceipt/GUID.html>

Consent Receipt
